# Keep FCA Out In Front

**YOU CAN HELP  
WITH YOUR  
SUGGESTIONS**

## LET'S KEEP GOING FORWARD

Farm Credit Administration employees have long been proud of the fact that they worked for an efficient, successful organization serving farmers. However, we want to keep going forward so we must always be looking for better ways to do things.

That's why FCA has always wholeheartedly welcomed the suggestions made by its officials and employees for improving any part of its daily operations.

## SUGGESTIONS CAN BENEFIT YOU TOO

Suggestions for improvements that are adopted and result in saving money are eligible for cash awards. Therefore, by working out worthwhile suggestions you as well as FCA can reap benefits.

## WHAT SAVINGS CAN YOU SUGGEST ?

Put your suggestions in writing. Explain how they will improve operations and what the savings will be. Send your suggestions to Carl Colvin, Chairman of the FCA Efficiency Awards Committee.

If you have overlooked the award feature of the suggestion program you can submit a write-up of any suggestion which you have made and which has been adopted in the last 2 years.

## FIGURE OUT A BETTER WAY

Stop and look at what is going on around you. Can you figure a better way to do it? If so, don't hide your idea under a bushel. Figure it out. Write it down. Send it in. Let's keep FCA going forward!

**THINK HARD NOW !**
